

Jenna K. Rieder
 jrieder@gradcenter.cuny.edu

Education

PhD Psychology The Graduate Center of the City University of New York Behavioral & Cognitive Neuroscience Subprogram Hunter College, New York, NY	2018 (Expected Graduation)
Bachelor of Arts Vassar College Psychology Major & Concentration in Women's Studies General & Departmental Honors, Phi Beta Kappa	2011

Honors, Awards, & Grants

Mina Rees Dissertation Fellowship Award in the Sciences	2017-2018
Hunter College Psychology Research Award	6/2016
Psychology Doctoral Student Travel Award	11/2015
Student Research Grant Competition Award at CUNY	03/2015
Science Fellowship, The Graduate Center, CUNY	2012-2017

Research Experience

Graduate Research Assistant, Cognition, Affect, & Psychopathology Lab Hunter College, CUNY, Department of Psychology PI: Dr. Mariann Weierich	2012-Present
Graduate Research Assistant Hunter College, CUNY, Department of Nursing & Social Sciences Investigating maternal stress in community-supervised women PIs: Dr. Lorie Goshin, Dr. Mariann Weierich	January 2016 -Present
Graduate Research Assistant, Emotion Regulation Lab Hunter College, CUNY, Department of Psychology PI: Dr. Tracy Dennis	Spring 2013

Presentations & Publications

Rieder, J.K., Goshin, L.S., Sissoko, D.R., Kleshchova, O., & Weierich, M.R. (2017). Salivary biomarkers of parenting stress in mothers under community criminal justice supervision. Manuscript in preparation.

Kleshchova, O., **Rieder, J.K.**, & Weierich, M.R. (2017). Resting amygdala connectivity and alpha-amylase as markers of post-trauma hypervigilance. Manuscript in preparation.

Rieder, J.K., Sissoko, D.R., & Weierich, M.R. (2017, May). *PTSD symptoms and daily affect vary with menstrual cycle phase in trauma-exposed women*. Poster session presented at the annual meeting of the Association for Psychological Science, Boston, MA.

- Kleshchova, O., **Rieder, J.K.**, & Weierich, M.R. (2017, March). *Resting connectivity between the amygdala and the ventral anterior cingulate cortex is associated with sympathetic reactivity to a trauma reminder*. Poster session presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.
- Goshin, L.S., **Rieder, J.K.**, Sissoko, D.R., & Weierich, M.R. (2017, March). *Studying the relationships between mothers under community criminal justice supervision and their children*. Talk presented at the Academic and Health Policy Conference on Correctional Health, Atlanta, GA.
- Fedorenko E.J., **Rieder, J.K.**, & Weierich, M.R. (2016, April). *Stress response asymmetry is associated with hyperarousal symptoms*. Poster session presented at the Hunter College Stress Trauma and Resilience Research Conference, New York, NY.
- Yoon, S.A., **Rieder, J.K.** & Weierich, M.R. (2015, October). *Basal cortisol is differentially associated with amygdala volume in trauma-exposed women and controls*. Poster session presented at the annual meeting of the Society for Neuroscience (SfN), Chicago, IL.
- Rieder, J.K.**, Millon, E.M., & Weierich, M.R. (2015, May). *Greater sympathetic reactivity in interpersonal versus non-interpersonal trauma*. Poster session presented at the annual meeting of the Association for Psychological Science, New York, NY.
- Weierich, M.R., Millon, E.M., **Rieder, J.**, & Yoon, S.A. (2015, May). Mapping daily affective experience in trauma-exposed adults. In E. Ansell (Chair), *Affect, social stress, and neuroendocrine effects of trauma and adversity in daily life*. Symposium conducted at the annual meeting of the Association for Psychological Science, New York, NY.
- Yoon, S.A., **Rieder, J.**, Millon, E.M., & Weierich, M.R. (2015, April). *Salivary biomarkers of neural hypervigilance*. Poster session presented at the annual conference of the Society for Affective Science (SAS), Oakland, CA.
- Rieder, J.K.**, Millon, E.M., Young, S.Z., & Weierich, M.R. (2014, March). *Stress system dysregulation in trauma-exposed women*. Poster session presented at the annual meeting of the Hunter College Psychology Convention, New York, NY.
- Rieder, J.**, Zaoutis, A., & Weierich, M.R. (2013, May). *Evaluations of affective information following collective stressful events*. Poster session presented at the annual meeting of the Association for Psychological Science, Washington, DC.

Teaching Experience

Instructor, Human Development (Hunter College, CUNY)	Fall 2015 - Present
Teaching Assistant, Abnormal Psychology (Hunter College, CUNY)	Spring 2015
Teaching Assistant, Experimental Psychology (Hunter College, CUNY)	Fall 2014, Spring 2015
Teaching Assistant, Human Development (Hunter College, CUNY)	Fall 2014

Reviewing Experience

Ad hoc reviewer: Hormones & Behavior

Relevant Training & Skills

Salivary Estradiol Immunoassay

Salivary Progesterone Immunoassay
Salivary Alpha Amylase Immunoassay
Salivary Cortisol Immunoassay
Structured Clinical Interview for the DSM-IV
Clinician Administered PTSD Scale (CAPS-5)

Professional Affiliations

Association for Psychological Science (APS)
Society for Neuroscience (SfN)
